What we did

- Read through the assignment and grading criteria together
 - Questions and thoughts
 - Translation in different languages
 - Documentation is important to show creative and innovative thinking
 - Do we need to sue old versions of browsers to test?
 - Ask TA about how many web browsers we should test on.
 - Kind of decided on what responsibilities we each would have, but wanted to wait for everyone to be in a meeting before we decide
- Start up process
 - Installed several browsers to test on
 - Looked through innovation method for ideas
 - Watched the youtube music video for Earth on youtube
 - Filtered out the ideas with the feasible in 5 years criteria
 - Filtered out based on if they are good final project ideas

Until next time and next meeting

- Think about potential new final project ideas
 - Planned next meeting: Tomorrow Tuesday 17.11.2020
